Section 2

- (a) Every teacher covered by this Agreement shall have the right to present grievances in accordance with these procedures. The Association shall have the right to grieve on Association matters.
- (b) Failure to act on any grievance within the prescribed time limits will act as a bar to any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- (c) It is agreed that any investigation or other handling or processing of any grievance by the grieving teacher, Association agent, or administrator shall be conducted so as to result in no interference with or interruption of the instructional program. The grievance procedure meetings may take place during the school day without loss of pay to the person grieving or to their representative.

Section 3

- (a) An attempt shall be made to mutually resolve any grievance in informal verbal discussion between the complainants and their designee and his or her principal. This must be completed within five (5) school days of the date the alleged grievable act or the teacher's or Association's discovery thereof. An extension of time for informal discussion to take place may be provided due to extenuating circumstances providing there is mutual agreement to such an extension.
- (b) **Second level**
If the grievance cannot be mutually resolved informally, the aggrieved teacher, or the Association on Association matters, shall file the grievance in writing. The written grievance shall state the actual grievance, shall state the specific clause or clauses of the contract alleged to be violated, and shall state the remedy or remedies requested. Copies of the written grievance shall be mailed or delivered to all members of the Board of Education and the Superintendent of the Woodbine Community School District. The Superintendent or his designee shall file an answer within ten (10) school days of the third step grievance meeting and communicate it in writing to the teacher, the Association and the principal.

Expenses for the Arbitrator's services shall be borne equally by the School District and the Association.

The Arbitrator, in his decision, shall not amend, modify, nullify, ignore, or add to the provisions of the agreement. His authority shall be strictly limited to deciding only the issue or issues presented to him in writing by the School District and the Association and his decision must be based solely and only upon his interpretation of the meaning of application of the express language of the Agreement.

Section 4

If the Association or any employee files a formal grievance in any form or procedure other than under the grievance procedure of this Agreement, then the School District shall not be required to process the same claim or set of facts through the grievance procedure.
